

WEBINAR

EU-IPFF Webinar on Progressive ILD and Comorbidities

On 20 January 2021 the European IPF and Related Disorders Federation (EU-IPFF) will hold the second webinar in a series of monthly online webinars for the Pulmonary Fibrosis community including patients, carers, patient advocates and HCPs in the run up to the first ever **European Pulmonary Fibrosis Patient Summit taking place virtually in April 2021**.

The online webinars and summit will discuss research, person-centered care, policy and advocacy in Pulmonary Fibrosis.

In this webinar, *Prof. Dr. med. Michael Kreuter (University of Heidelberg)* will talk about **Progressive ILD and comorbidities** and take questions after the talk.

About EU-IPFF

The EU-IPFF, a non-profit body that brings together European national patient associations to fight for equal access to treatment and information. Established in 2016, the EU-IPFF has grown from a newly established association to a trusted resource for the European IPF community and is now the convener of the first pan-European IPF Patient Summit.

EU-IPFF gratefully recognises our summit sponsors:

Avalyn Pharma, Boehringer Ingelheim, Bristol Myers Squibb, Chiesi, Galapagos, Roche

Our endorsers:

ELF, EPF, Sarcoidosis Europe, ERN-Lung, EURORDIS, PF Warriors, National Tuberculosis and Lung Disease Research Institute, Pulmonary Fibrosis Foundation, Polskie Towarzystwo, Mayor of Warsaw
